

The Beauti Pod

a journey to perfection

Crystal Clear COMCIT Elite Treatment and Price List

The most effective and advanced skin rejuvenation system yet, incorporating Cryo-Oxygen Microchanneling Collagen Induction Therapy with industry leading Microdermabrasion technology. The three modes of treatment are all designed to stimulate Collagen production. Crystal Clear are renowned for their innovative products and treatments, popular amongst beauty professionals and celebrities. Can be a one off treatment or ideally a course of six, one every two weeks. Purchase a course of six and receive the seventh free, which can be your first maintenance facial.

COMCIT Elite Facial

75 minutes

£115

The ultimate facial treatment. Effective and advanced skin rejuvenation, tackling lines, wrinkles, and pigmentation. Crystal Clear's Microdermabrasion Beauty Flash performs a skin exfoliation and resurfacing promoting smoother and fresher skin. This is followed by the ground-breaking COMCIT Elite treatment, using Cryo Oxygen and Micro Channeling Rollers to infuse the skin with a potent Active Infusion Serum, tailor made to tackle your concerns of ageing skin and stimulate collagen production while plumping and firming the skin. The treatment is finished with the application of Crystal Clear's facemask providing that extra hit of hydration.

Frozen Facial**60 minutes****£100**

An effective and advanced skin rejuvenation treatment, which tackles lines, wrinkles, and pigmentation. Enjoy a full cleanse and gentle exfoliation, followed by the ground-breaking COMCIT Elite treatment, using Cryo Oxygen and Micro Channeling Rollers infusing the skin with a potent Active Infusion Serum, which stimulates collagen production while plumping and firming the skin. Skin is left feeling hydrated after the application of Crystal Clear's facemask.

H2O Glow Facial**60 minutes****£90**

Crystal Clear's most immediate, intense hydration treatment, giving red carpet ready results. The H2O Glow Facial delivers freezing cold oxygen throughout the epidermis to nourish and invigorate skin cells, while the COMCIT Micro Channeling Roller allows Hyaluronic Acid to reach deeper dermal layers via micro-channels; plumping and rebalancing the skin from the inside out. The result is brighter, fresher, hydrated skin that glows with a youthful radiance.

Oxygen Therapy Facial**60 minutes****£70**

Clinically proven, Crystal Clear Cryo-Oxygen treatment breathes new life into tired aged skin. Five treatments are all that is needed to achieve younger and more rejuvenated skin. Helps to rebuild the skin, smooths lines and wrinkles and increases skin firmness. Perfect for damaged skin as the use of pure oxygen creates an energising and healing effect to the skin cells. Perfect for acne prone skin due to the anti-bacterial effects of both oxygen, perfluorodecalin and apple extract helping eliminate toxins.
